
ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- An effective balance between authoritative theory and meaningful practice. International Business is an authoritative and engaging voice on conducting business in international markets. This text not only describes the ideas of international business but it also uses contemporary examples, scenarios, and cases to help readers effectively put theory into practice. This edition features updated author-written cases, including ten entirely new cases, and expanded coverage on emerging economies.
